Additional families from Morocco: al-Moghrabi, al-Alami, al-Tayyib, al-Maslouhi, al-Tijani, al-Fakiki, al-Mahdi, al-Filali, Bu Hamalah, al-Tazi, al-Khairi, al-Muwaqat, al-Qutob, and al-Muzaffar.

The only real indigenous Palestinians who can claim to have lived in Palestine since before the Roman conquest are those who are descended from Jews.

Which means that today's Jews are really the only indigenous people left from the area that was later known as Palestine.
